

COMMON CORE REQUIREMENTS

With a few exceptions, all programs at NVCC will contain courses from all Core Competencies. If the program requirement is an “elective” from the competency, any course listed in that group may be used.

Note: Letter H appears in all NVCC course numbers; it is the code letter for our college in the CT Community College system. Since it is redundant for our college, the H is not reproduced below. The * denotes the Common Course Numbering; courses with the *1 have the same number as similar courses at other community colleges in Connecticut, though the other colleges will insert their appropriate code letter.
