**For more information about the Respiratory care field, visit:**  
[www.nv.edu/Credit/Respiratory-Care/About-Respiratory-Care](http://www.nv.edu/Credit/Respiratory-Care/About-Respiratory-Care)

**Application Information**

Application period is October 1<sup>st</sup> through January 15<sup>th</sup> each year for fall semester start.

- All pre-requisite and General Education Core classes require a minimum grade of "C". Higher grades are recommended.
- Minimum GPA 2.5 required, however this is a competitive program; **a higher GPA is recommended.**
- All pre-requisites must be completed prior to, or taken in the fall or winter semester in which the student applies.
- Completion of this plan does **NOT** guarantee acceptance or admission into the program.
- Students are advised to review thoroughly the current program fact sheet, application and meet with an advisor when choosing classes to prepare for this highly selective program.

**For more information on our program, visit:**  
<http://www.nv.edu/credit/respiratory-care>

**General Education Requirements (for students new to the CSCU system beginning Fall 2015)**

Can be taken during the program. Students are encouraged to complete prior to getting into the program to increase chance of success.
