

How To Register for the TEAS in 7 Easy Steps

The screenshot shows the Mozilla Firefox website. The main heading reads "Free yourself with Firefox". A large green arrow points from this heading down to the "Firefox for desktop" link. Below the heading, there are three columns: "Firefox for desktop" (Trusted. Flexible. Fast.), "Firefox for iOS" (Fast. Smart. Yours.), and "Firefox for Android" (Make it uniquely yours.). Each column includes an image of the respective device and a download link. The browser's address bar shows "Mozilla Foundation (US) | https://www.mozilla.org/en-US/firefox/products/" and the search bar contains "Google".

Step 1:

Students occasionally have issues using any browser other than Mozilla Firefox when registering for the ATI TEAS test. The recommended browser is Firefox.

The screenshot shows the ATI Testing website home page. At the top, there is a navigation bar with a search box, a 'GO' button, and links for 'Create an Account', 'Online Store', and 'Contact Us'. Below this is a large banner with the ATI logo and text: 'Our pass rates went from 78% to 100% with ATI. Dean, large ADN and PN program located in the Southeast'. A green arrow points to the 'Create an Account' link. Below the banner is a navigation menu with 'About ATI', 'ATI Product Solutions', 'ATI Resources', and 'Secure Sign On'. The 'Secure Sign On' section contains a login form with 'Username' and 'Password' fields, a 'GO' button, and links for 'Forgot username and/or password?' and 'Create an account.'. Below the login form is an orange box with the text 'Important! Our recommended browser is Firefox. View more technical requirements'.
