Motion to approve
1. Kate Lozo
2. Alex Zozulin
Vote- unanimous approval
4. Review of course Application- PSY 245 for Written Communication

The committee reviewed the course application for Written Communication competency. It was noted the course will be a partial course because outcomes were not submitted for all TAP Learning Outcomes. Ron informed the committee that he will be reviewing the partial courses and will provide program coordinators with the list of courses that meet partial TAP outcomes. This will give the program coordinators the opportunity to review the outcomes and determine if the course should stay in their program’s curriculum. The committee recommended PSY 245 be returned to the Division Director with the rubric to clarify that psychology faculty universally agrees that all the outcomes will be taught and measured.

Motion
1. Jamie Hammond
2. Alex Zozulin
Vote- unanimous approval

5. Review of course Application Soc. 201 for Critical Analysis

Committee members determined there were several areas that needed to be revised:
- Evaluation & synthesis – course outcome does not fit with TAP outcome
- Analysis needed more examples.
- The term “understand” was used as an outcome. Needs to be replaced with term that is measurable.

Meeting adjourned: 1:45 pm

Note: There will be no meeting on 4/24/14 so that committee members may attend the Spring Luncheon in support of the Hospitality Program.
