What is a PTA?
A PTA is a health care provider who works under the direction and supervision of a Physical Therapist (PT).

The education of a PTA requires that the candidate earn an Associate Degree meeting criteria set by the Commission on Accreditation in Physical Therapy Education (CAPTE).
The Physical Therapist Assistant Program at Naugatuck Valley Community College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314; telephone: 703-706-3245; email: accreditation@apta.org; website: http://www.capteonline.org. If needing to contact the program/institution directly, please call 203-596-2168 or email jgangaway@nv.edu
Why should you choose NVCC?
Our Mission

The Physical Therapist Assistant (PTA) Program is committed to high standards as it educates students with the knowledge, clinical skills, professional behaviors, and core values essential to evidence-based and culturally competent care.
Our Vision

The program emphasis on technology and communication facilitates learning in the classroom and the clinic as the program endeavors to educate students who:

• strive for excellence as physical therapist assistants
• commit to high ethical standards
• appreciate and value racial, social, economic, and cultural diversity
• utilize critical reflection
• invest in community involvement
• engage in lifelong learning

What do I need to know if I’m accepted?
Accepted Students

- Must declare intent to attend by deadline

- Prior to enrolling must:
  - Complete a criminal background check with fingerprinting
  - Pass a drug test

- Students who do not pass the background check/fingerprinting may be excluded from clinical sites and may not be able to meet the competencies required for the program.

- Students who do not pass the drug test will not be allowed to enroll. Their spot will be given to the next person on the wait list.
Program Requirements

- Complete & submit all health requirements according to deadlines given.

- Become student member of the American Physical Therapy Association. ($90/year)

- Obtain certification in First Aid & Healthcare Provider CPR.
  - American Heart Association or American Red Cross
Program Requirements

- A grade of "C" or higher must be attained in all physical therapy courses and all courses required for the degree.

- Students must maintain a 2.7 or higher PTA GPA while in the program.

- A grade of "P" (pass) must be attained in all clinical education components to meet the degree.
Additional Requirements

- Tuition & Fees
- Books
- Criminal background check & drug test (annual)
- Professional attire for clinical education experiences
- Licensure review courses
- Transportation
- Annual physical / PPD
  - Complete & verify all required immunizations

Clinical Education

- Clinical learning is held at a variety of healthcare sites throughout Connecticut (CT) and these clinical sites are assigned at the discretion of the PTA faculty.

- Students may be required to travel over seventy-five (75) minutes to their experiences.

- Students are required to provide their own transportation, living expenses (as necessary), and any other expenses while on clinical education experiences.
Considerations for Success

- Sufficient reading time, study time and practice.
- Attendance to Open Lab.
- Additional 2-3 days on campus outside of class time.
- Curriculum more challenging each semester.
- Work hours to minimum-students who work more than 20 hours per week, in general, struggle and have difficulty continuing to be successful in the program.
Considerations for Success

- You are entering a healthcare career **program of study**- not just taking additional classes.

- You will be preparing to take a national licensure exam.

- You will have the responsibility for caring for patients.

- In addition to learning knowledge and skills, you will be expected to demonstrate professional behaviors in all classes & clinical experiences.
