2019 Fall Admissions and Enrollment Guide
Apply for Financial Aid

It's Simple. To Apply for Financial Aid,
Follow These Steps:

✓ Go to www.faid.ed.gov and obtain an FSA ID. The FAFSA application is at www.fafsa.ed.gov.
✓ Enter the school code for NVCC: 006982 on your application.
✓ Check your application status by logging onto myCommNet at my.commnet.edu. You can check if there is missing documentation, or view your award package, if eligible.
✓ If selected, you’ll receive an email from the Verification Gateway. Log in at the URL provided in the email, and get started with Inceptia. If you get stuck, call – Verification Gateway Customer Service at 888-374-VGCS (8427).

For more information go to nv.edu/FinancialAid.

Important Information About Financial Aid:

• Students who withdraw from classes must be aware that their financial aid may be affected. Please consult with the Financial Aid Office before withdrawing.
• Financial aid does not cover non-credit courses.
• Students do not have to be full-time in order to receive aid.

Basic Eligibility Criteria

• Be a citizen or eligible non-citizen of the United States.
• Be enrolled (matriculated) in a degree or qualified certificate program.
• Have registered with Selective Service between the ages of 18–26, if you are a male.
• Be sure to apply early and submit your application by the priority deadline of June 1, 2018. Applications submitted after the priority deadline will be accepted, however financial aid is awarded on a first-come, first-serve basis. You must allow four weeks from the completion of your application for an eligibility determination by the Financial Aid Office.
• Non-credit Lifelong Learning courses do not qualify for federal financial aid.

For New Students

Apply now for financial aid. You can start the financial aid process beginning October 1, before you even apply to the College. It’s never too early to apply. Financial aid eligibility will be determined upon acceptance to NVCC.

For Continuing Students

• Be in good academic standing and maintain satisfactory progress according to federal regulations and the Connecticut Community College’s Satisfactory Program Policy. This requires students to complete 67% of the classes attempted and maintain a 2.00 GPA. The policy is available at nv.edu/SAP.
• Students may not receive financial aid for any attempted credits that exceed 150% of their published program. For example, for a 60-credit degree program, students become ineligible when they have attempted 90 credits.

For Book Purchases

Students who are financial aid recipients may be eligible to receive a book voucher. Eligibility is based on the amount of financial aid awarded. Students awarded a book voucher may use it for the purchase of books at the George D. Yonan Memorial Bookstore. See Page 9 for store hours.

To apply for an FSA ID go to www.fafsa.gov and click login. (If you are a dependent student your parent must also apply for an FSA ID.)
Take the Placement Test

The last date to take the placement test for Fall 2019 at the Waterbury and Danbury Campuses is Monday, August 26.

ACCUPLACER®

Purpose of the Test
The College uses the Accuplacer® computerized adaptive placement test to assess academic skills in mathematics, English and reading. The primary function of the Accuplacer® placement test is to assist with determining the appropriate level of coursework for entering students. You cannot pass or fail, but it’s important to complete the test using your best effort, so you and your advisor have an accurate measure of your academic skills.

Schedule your Placement Test.
For Waterbury and Danbury Campuses:
After you receive your acknowledgement letter from the Admissions Office with your Student ID number, go to nv.edu/accuplacer to schedule your placement test. You will receive an email confirmation.

Test Preparation
It’s important that your Accuplacer® scores accurately represent your skills and knowledge. Accuplacer® offers tools and resources to help you prepare for the tests. Go to nv.edu/accuplacer or scan the Placement Test Preparation QR code below.

✓ Arrive at the Testing Center at least 10 minutes prior to your appointment.
✓ Late arrivals will not be allowed into the Testing Center.
✓ Test is untimed and takes about 2 hours, so plan accordingly.
✓ Test scores and course placements are available at the end of the test session.
✓ Bring your Banner Student ID number to the test session along with a valid photo ID.

You must take the test if you:
• are an incoming student enrolled in a degree or certificate program.
• are a transfer student who has not successfully completed an English composition and/or college-level mathematics course with a “C” grade or better.
• plan to register for a course with an English or math prerequisite.
• are a non-degree student seeking to enroll in an English, English as a Second Language or math course.

You may be exempt from the test if you:
• completed coursework in a college-level English and/or math course with a grade of “C” or better.
• scored 18 or higher on the ACT Math exam.
• scored 21 or higher on the ACT English exam OR scored 47 or higher on the ACT English and Reading portions combined.
• have achieved the appropriate Advanced Placement (AP) or College Level Examination Program (CLEP) scores.
• have taken the Accuplacer® test at another community college or university.
• prior to March 2016: scored 500 or higher on the Old SAT Math Section.
• effective March 2016: scored 530 or higher on the New SAT Math Section.
• prior to March 2016: scored 450 or higher on the Old SAT Critical Reading or Writing Sections.
• effective March 2016: scored 26 or higher on the New SAT Writing and Language Test; OR scored 25 or higher on the New SAT Reading Test; OR scored 510 or higher on the New Evidence Based Reading/Writing Section.
• Scored 165 or higher on the GED Math Reasoning Test.
• Scored 165 or higher on the GED Reasoning Language Arts Test.

Appropriate documentation (transcripts, final semester grade report, SAT or ACT score report, Accuplacer® score report, AP scores, CLEP and GED scores) must be submitted to the Admissions Office for review to determine if the requirements for exemption are met.
New students must attend a New Student Registration Session.

This event allows you to complete the enrollment process in one visit to campus. You must be accepted to the College or bring all items needed for acceptance including: an application, proof of high school completion or GED and immunization documents. Don’t forget SAT/ACT or GED scores if you have them. The placement test is offered at all New Student Registration Sessions. A minimum payment is required or you may use your approved financial aid award. Book your New Student Registration Session at nv.edu/accuplacer or nv.edu/walkin.

Pay Tuition and Fees

The 2019-20 tuition/fee rates will be posted on nv.edu/tuition as soon as they are approved by the Board of Regents for Higher Education. Students registering prior to establishment of 2019-20 rates will be charged at 2018-19 rates with an adjustment to be invoiced prior to August 7, 2019, which is the date that tuition is due.

As always, a payment is required at the time of registration. Registrations without payment or acceptable payment plan arrangements are subject to cancellation. Students are responsible for the applicable charges should they fail to formally drop the class(es) from their schedule or withdraw from the College. Students are responsible to know the status of their accounts with the College. Such accounts can be viewed online at any time.

Payment of Tuition and Fees

- Before August 7, 2019 payment of student activity and college service fees is due at the time of registration.
- Beginning August 7, 2019 the entire amount is due at the time of registration. At this time students must pay in full or have an acceptable payment alternative in place.
- As a reminder, classes begin on August 27. Payment of fees is due within 24 hours of registration. Tuition is due on August 7, 2019. Acceptable arrangements in lieu of full payment must be student-initiated. These are:
  - a fully-authorized financial aid award.
  - an individual payment for the payment plan.
  - a letter from a third party provider for an unconditional guarantee of payment.
  - an applicable Tuition/Fee Waiver Form.

Your registration is confirmation of your acceptance of all applicable charges as a result of your registration. It is expected that you will be attending the College.

While unpaid registration will be subject to cancellation, it is ultimately your responsibility to remove yourself from the registered courses should you decide not to attend the College. Failure to remove yourself from registered courses does not release you from incurred financial obligations and may negatively impact your academic progress.

This may only be done online at nv.edu and signing into your myCommnet account (registration and payment tab) or in person at the Registrar’s Office (Waterbury Campus) or Administrative Office (Danbury Campus). Note: All fees are non-refundable. Refund of tuition policy may be found at nv.edu/refund. Email requests to remove yourself from registered courses will not be processed. The refund policy for non-credit program offerings may be found at nv.edu/nc or by calling 203-575-8029.

- NVCC is offering payment plans earlier than ever before, giving students more time to plan and pay for college costs. Payments may be made at the Bursar’s Office in Room K508, during regular office hours. Cash, check, Visa, MasterCard, American Express and Discover are accepted forms of payment. Students may also pay online at my.commnet.edu, with Visa, MasterCard, American Express, Discover or electronic checks.
- A $25 returned check fee will be charged for any check not honored by the bank.
- Books and supplies are additional costs that must be paid for at the time of purchase.
- Bursar’s Office can be reached at 203-575-8055 or 203-575-8164.

Installment Payment Plan - In person or online

An installment payment plan is available to students enrolling for three credits or more. This plan allows students to defer the payment of tuition beyond the normal due dates, for a fee of $25 each semester. To enroll in person, visit the Bursar’s Office, Room K508, in Kinney Hall.

Online Installment Payment Plan

Payment plans will be available online approximately April 2, 2019. Log in to my.commnet.edu and follow the instructions.

Refund Policy for Fall Semester Courses

Before registering for classes, students should read the refund policy established by the Board of Regents for Higher Education at nv.edu/refund.

- When registering for courses, students pay a non-refundable deposit equal to the total fees for their courses.
- Students must notify the Registrar (in person/email/fax) in order to request a tuition refund. A full refund (100%) of tuition and usage fees only will be granted if notice is made to the Registrar of reduced course load through Monday, August 27, 2019 (online/email/fax). For notice of reduced course load received Tuesday, August 27 through Monday, September 9, 2019, a 50% refund of tuition and usage fees only will be granted. In either case, College services, student activity and clinical program fees are neither refundable nor reducible unless the changes are due to course cancellations. No refund will be granted for notices of withdrawal or reduced course load received after Monday, September 9, 2019. Refund checks will be sent from the board office directly to the student. Policy assumes the student is paid in full at the time of withdrawal.

Refund Policy for Late Start Courses

If the College cancels a course, students receive a full refund of all tuition and service fees. This does not include the $20 one-time application fee for new students. A student who drops a late start course on or before Monday, September 9, 2019 will receive a full refund of tuition and usage fees only. If the student officially withdraws on the day the Late Start courses are scheduled to begin or after, there is no refund and the student will receive a “W” on his/her transcript.

Tuition and fees are subject to change by the Board of Regents for Higher Education.

“Ever since I was a child, I wanted a career in sports media production. After many years as an EMT, I decided to take steps towards my ‘dream career’ but knew I needed a college degree to be competitive in the workforce. I chose NVCC because of the money I’d save on my associate degree. It’s been great. The college helped me through the process and the faculty are so hands-on. I’m getting real-world experience. Don’t be afraid to live your dreams. Take that leap and NVCC will show you the way!”

John Williams, NVCC Student

“Attending Naugatuck Valley Community College was my best academic decision to date. Advisors and faculty supported and encouraged me to be the best version of myself. Everyone helps guide you in the right direction for your goals and provides you with the skills to pursue them. I can honestly say I wouldn’t be the person I am today without their support.

Prior to NVCC, I had attended another university but didn’t find the same level of guidance and encouragement. Transitioning from high school to college can be difficult and NVCC makes it as smooth as possible. I am proud to say I graduated and now have my associate degree in music performance from NVCC. I look forward to attending Western Connecticut State University in the fall to earn my bachelors, and eventually my masters in music education. NVCC can help you follow your dreams too!”

Danielle Eitapence, NVCC Student

After submitting documentation validating a disability, students will be required to schedule an appointment to complete the disabilities disclosure process. Services are available at both campuses.
Senior Citizens (August 27 - September 3)

Senior citizens may register and have their General Fund Tuition, College Services and Student Activity Fees waived. These costs, along with the application fee, are completely waived for Connecticut residents at least 62 years of age on a space-available basis. Students are responsible for supplemental and material fees that are associated with specific courses. See Page 9. You must fill out the College Application if you have never been a credit student at NVCC. See Page 3. Non-credit courses are not eligible for senior citizen waiver.

Distance Learning Courses

Distance learning courses are fully or partially (hybrid) online courses designed for highly motivated students who are looking to add flexibility to their busy schedules. Basic computer literacy and high-speed access to the Internet are required. Our courses follow the standard academic calendar of the College (unless otherwise indicated), are generally not self-paced and may include face-to-face class meetings. NVCC online math courses require campus meetings for exams. For more information, please contact the Department of Mathematics at 203-575-8063.

Hybrid Courses

Hybrid sections are defined as courses whose contact hours are split between online and on-ground (in a classroom). The first session for these classes will meet on campus. Sections with a “C” in the title indicate that the on-ground portion utilizes computer technology.

Before You Start

Students who are interested in or have enrolled in their first distance learning courses are strongly advised to visit the Connecticut Community College Student Support site at https://cscu.edusupportcenter.com to get information about online learning. This site includes instructions for logging on to your course(s) on Blackboard Learn (our learning management system), technical requirements needed for your computer and other important information and resources.

Looking for a rewarding career with in-demand employment opportunities?

Check out NVCC’s Cybersecurity Associate Degree program!

The program prepares students to obtain entry-level positions in the field of cybersecurity and computer crime deterrence. It also supports their successful transfer to other institutions of higher education. In this program students learn essential skills required to gain and maintain employment at entry level positions as computer crime investigators, computer security specialists, and federal law enforcement officers.

Curriculum

This program combines elements of both NVCC’s Criminal Justice and Computer Information Systems programs to offer students a strong grounding in understanding the investigative nature of cybersecurity in the criminal justice realm as well as gaining technical skills in computer science networking and programming. Many classes are mapped to support industry certification testing after course completion, including CompTIA Network+, Security+ and Project+.

- CT Department of Labor projects demand in computer science to increase by 17.4% between 2012 and 2022. Demand for information security analysts is projected to increase by 18.6% during that same time frame.
- Nationally, there are more than 209,000 unfilled cybersecurity jobs in the U.S. since 2011.
- Demand for information security professionals is expected to grow by 53% through 2018 according to the Bureau of Labor.
- Highest demand for cybersecurity workers is in finance, manufacturing, defense, health care and retail trade.
