

Presidential Goals for Academic Year 2016-2017:	
1.	Successful implementation of the first year of the 2016-2026 Naugatuck Valley Community College: Toward a Splendid College Strategic Plan for the College
2.	Successful collaboration and support of System Office Strategic Plan and Goals, and continued collegial working relationship with colleagues in the System Office
3.	Successful completion of Founders Hall Renovation and mid-year move and occupancy of the Center for Health Sciences. Successful relocation to larger quarters for our Danbury Campus
4.	Successful implementation of general education competencies and success with new TAP programs
5.	Successful first year for NVCC Facilities Master Plan
6.	Launch and successful implementation of a number of faculty and staff development activities designed to support our adjunct faculty and intellectual discourse on the value of a community college education
7.	Continued success of Standard of Service development opportunities
8.	Continued growth of the Bridge to College program and successful implementation of the fifth year of the GEAR UP high school initiative
9.	Expanded services at the Academic Center for Excellence, and the continued creation of more innovative programs to support students' successful navigation of developmental courses and our general education offerings
10.	Significant progress toward a successful alignment of the work of Student Services and Academic Affairs to strengthen the implementation of a comprehensive Academic Advisement Program on campus and to enhance a faculty development and training program, exemplified by tangible progress in our advisement activities and in the integration of career opportunities information per program at advisement time
11.	Strengthening and continued implementation of the Honors Program, to include the development and implementation of capstone honors seminars
12.	Successful recruitment and beginning year for our Cybersecurity major program
13.	Continued strengthening of cultural life on campus and a successful year for our Fulbright Scholar Felipe Karam.
14.	Continued growth and vibrancy in our Arts and Humanities area, growth of our Mattatuck Museum NVCC Collection and progress towards the creation of an International Center for the Arts
15.	Continued efforts to expand workforce development programs both on the main campus and at our Danbury campus
16.	Continued growth of our "Jobs on Campus" initiative
17.	Continued successful implementation of incumbent worker initiatives in manufacturing through the TAA CAMI grant
18.	Full implementation of cyclical assessment and program reviews for all departments and an institutional effectiveness initiative to ensure that strategic goals are met
19.	Full implementation of an active Alumni Association that contributes to the work of the institution
20.	Successful implementation of a number of early college opportunities for students in Danbury High School, supported by a successful first year of the pilot Pell Dual Enrollment grant
21.	Fund raising to support the Capital Campaign for our Center for Health Sciences, campus activities, including the submission of another major grant application
