A payment is required at the time of registration. Registrations without payment or acceptable arrangements are subject to cancellation. Students are responsible for the applicable charges should they fail to formally drop the class(es) from their schedule or withdraw from the College. Students are responsible for the status of their accounts with the College. Such accounts can be viewed online at any time.

Payment of Tuition and Fees - Key Dates

Full payment is due at the time of registration or a payment plan needs to be in place. Summer payment plans are available online or in person at the Bursars Office, beginning March 31, 2022. Classes begin on June 6, 2022.

Important Information

The Bursar's Office can be reached at (203) 575-8055 or (203) 575-8164.

It is the student's responsibility to remove themselves from registered courses if they do not intend to attend the course(s). Making changes to course registrations is easily done either:

- online at <u>my.commnet.edu</u>. Log in to your myCommnet account, click on "Banner Student & Faculty Self-Service," and then click "Registration/Schedule."
- in person at the Waterbury campus: Registrar's Office,
 K516 or at the Danbury campus: Administration Office.

Note: Email requests to remove yourself from registered courses will not be processed.

Acceptable arrangements in lieu of full payment must be student-initiated. These include:

- · A fully-authorized financial aid award
- The first payment on a payment plan (see more on payment plan below)
- A letter from a third-party provider for an unconditional guarantee of payment
- An applicable Tuition/Fee Waiver Form

Books and supplies are additional costs that must be paid for at the time of purchase.

The refund of tuition policy can be found at nv.edu/refund. For refunds for non-credit program offerings, go to nv.edu/nc or call (203) 575-8029.

Note: Financial aid students who withdraw from summer courses subsequently to 20% of the abbreviated term having elapsed but prior to the summer financial aid census date may be charged 100% of tuition and fees for those courses with no corresponding/offsetting summer financial aid disbursement.

This must be completed prior to the predetermined census date of each traditional semester, as well as during periods of enrollment shorter than the traditional 15-week semester (i.e., summer terms and other abbreviated terms).

Students who are determined to have not academically engaged in a period of enrollment leading up to census shall be assigned a registration status of "Never Participated (NP)" for each affected course. Students with the NP designation will be dropped from the course(s) they have not participated in and will be assessed a Late Drop Fee of \$50 for each affected course as outlined in BOR policy 3.7.
